Abstract submission guidelines

Poster and oral abstract submission deadline
All abstracts can be submitted up to and including **Sunday 18 April 2021**.
Abstracts can be submitted at the website (see instructions below):
https://www.aanmelder.nl/wetenschappelijkwebinar2021.

Text
The text must fit into the box. Your abstract length is limited to 300 words. Please note that the word count is affected when you add graphs/tables/images.
Abstracts should be preferably written in English, although Dutch is accepted.
Note: only common abbreviations may be used without definition.

Keywords
Enter five keywords to better define the abstract content.

Co-authors
List the names of all authors separated by commas, including affiliation details (department, institution / hospital, city) and position (e.g. GEZP, WESP, AIOS, verpleegkundig specialist).
Be sure that all co-authors reviewed and agreed with the content of the final abstract before submission.

Title
The title length should be a maximum of 20 words. Be sure that your title fits the content of your abstract.

Abstract layout
Please use the abstract template and structure your abstract with the headings: Background including aim/purpose, Methods, Results, and Discussion/conclusion.
If you don't use this format, your abstract will be rejected.

Background including aim/purpose: describe the background of your study and your objectives/research questions.

Methods: describe the study population, data collection, and analysis.

Results: describe the results of your study that fits your research questions/objectives.

If you submit an abstract about your research design, you can describe the expected results in this paragraph.

Discussion/conclusion: describe possible strengths and limitations of your study, the study impact and/or answer to your research question.

If you submit an abstract about your research design, you can describe the expected insights and knowledge as a result of your study.

Submission

Please make sure to have all fields completed before you finally submit your abstract. You will receive a confirmation by e-mail after the submission (please make sure to state your correct e-mail address!).

Changes are possible after submission up to and including 18 April 2021.

Please note that e-mails regarding the submission will be sent to the submitter and co-authors. All correspondence regarding acceptance or rejection will be sent to the submitter and co-authors.

Abstract scoring

Abstracts will be subject to a blind peer review by at least two reviewers. Authors will be notified by e-mail about acceptance of their abstract before 15 May 2021.

Note: **All presenting authors have to register for the symposium.**
